## Animal Names Scavenger Hunt

WELCOME TO THE  
PIMA AIR & SPACE MUSEUM

Use the clues to help you find the animal names in the museum.  
Are you ready? Let's go!

1. The Wright Brothers first flew in 1903. Two animal names tell us where they flew. What is the name of the place?

\_\_\_\_\_

2. Find two aircraft with the same names as insects. What are these two aircraft called?

\_\_\_\_\_  
\_\_\_\_\_

3. Look up. Find the aircraft with the same name as a baby bear. What is the whole name of this aircraft?

\_\_\_\_\_

4. Find the bright yellow seaplane. What animal name is on this aircraft?

\_\_\_\_\_

5. The fastest aircraft is in the Spirit of Freedom Gallery. What is this aircraft's bird name?

\_\_\_\_\_

Proceed to the back of the hangar and out the door to Hangar 3. Just follow the paved path down the hill to the next building.

Name \_\_\_\_\_ Date of your visit \_\_\_\_\_

6. Find the gray plane with green engines. What cat is this plane named after?

\_\_\_\_\_

7. Find the big silver bomber in the middle of the hangar. What animal is painted on the right side of the plane?

\_\_\_\_\_

Follow the blue dots on the floor to the back door. Go out the door and follow the path to Hangar 4.

8. Go to the left side of the hangar. There is a green plane with a red dot on it. Its Japanese name means "Peregrine Falcon." What is its code name?

\_\_\_\_\_

9. In the corner is the wreckage of a Navy plane. Read its fascinating story. What kind of cat is it named after?

\_\_\_\_\_

10. On the other side of the big silver bomber is a small fighter. What is the name of the snake this plane is named for?

\_\_\_\_\_

### CONGRATULATIONS!

You finished the scavenger hunt at the PIMA AIR & SPACE MUSEUM!

Which aircraft do you like best? \_\_\_\_\_
